**COMPANY OVERVIEW**

Tribe Cleaning Network LLC is a minority-owned small business providing professional janitorial, facility maintenance, demolition cleanup, and exterior property services throughout the St. Louis metropolitan area. The company specializes in delivering reliable, high-quality cleaning and maintenance solutions for commercial, industrial, educational, and residential facilities with a strong focus on professionalism, responsiveness, and customer satisfaction.

**PAST PERFORMANCE**

**St. Paul Lutheran School | City Wide Facility Solutions**

**Contract Value:** \$50,000 annually

Provided comprehensive janitorial services for a 32,000-square-foot, three-story educational facility, including classroom sanitation, restroom cleaning, floor maintenance, trash removal, and common area cleaning. Reduced cleaning turnaround time by over 50% while improving overall sanitation standards and client satisfaction.

**Lumen Building | City Wide Facility Solutions**

**Contract Value:** \$57,000 annually

Performed nightly cleaning and sanitation services for a 12-story commercial building, including restroom sanitization, supply inventory management, trash removal, vacuuming, mopping, and common area maintenance. Successfully improved cleaning standards and helped preserve the client contract through consistent service performance.

**Synergy RE Group LLC**

Provided demolition cleanup, debris removal, and property preservation services across more than 10 residential investment properties. Assisted the client with preparing properties for resale by maintaining clean, safe, and market-ready conditions.
